

2022 SCHOLARSHIP APPLICATION FORM *(There is no fee for applying.)*

A \$500 SCHOLARSHIP WILL BE AWARDED TO FURTHER THE SCHOLARSHIP WINNER'S STUDIES.

DEADLINE: MARCH 21, 2022 11:59 EST. The scholarship winner will be announced by March 30th.

By submitting the application for this scholarship, you confirm that you fulfill the eligibility requirements:

- You are a current student, full or part time, currently enrolled in a 4-year college or university, and working towards an undergraduate or graduate degree
- You have completed at least one semester
- You have a .edu email address
- Your major is interior design, theatre design, graphic design, or industrial design.

(Type initials in the box to confirm)

By submitting the entry to apply for this scholarship, you agree: that the work submitted is your own and not someone else's, that you allow the submitted work to be used, with credit, in our social media, email marketing, or website content to promote our scholarship.

(Type initials in the box to agree)

Submission details:

- Submit two PDF documents: 1) your design project, labeled First and Last name_Project, and 2) Application Form, labeled First and Last name_Color Choices.
- All submissions must be digital PDFs with a combined max file size of 25MB.
- All submissions must be sent to info@iacna.com by the deadline date, with the subject line: Scholarship Entry_First and Last Name
- Entries submitted without both PDFs or after the deadline will not be considered.

EMAIL ADDRESS:

(must be a .edu address)

PROJECT DESCRIPTION

Select one of your own already completed student design projects that involves the use of color, that you created within the past 3 years, and write a one-sentence description of it in the box below.

ESSAY

In the box below, write a short essay about why you selected the colors that were used, including the rationale or reasoning behind the color choices; maximum length is 2000 characters. The criteria for judging is based on the written essay ONLY; the design project is meant to offer a context for a student's color choices. The IACC-NA judges will be looking for knowledge and understanding of color and its application, and how the chosen colors would affect the user/viewer as it applies to your project subject.
